

Sandra Lochmann

International Industry Executive · Interim Management · Advisory Board

PROFILE

I build bridges between industries, countries and people. More than 20 years of operational responsibility in international industrial corporations, experience building plants, teams and organisations, and five working languages.

FOCUS AREAS

- **Advisory Board**
Site development, transformation, people and organisational matters, and market entry into Italy.
- **Interim Management**
Site and plant ramp-up, HR, recruiting and logistics — operational and execution-focused.
- **Site Development & Search**
Building sites and teams. In Italy, advisory only for market entry and site development.
- **Interviews & Country Insights**
Personal impressions on culture, people and the world of work — on a fee basis.

PERSONAL

I did not learn to be international — I grew up with it. Time in Portugal, England, Costa Rica, Brazil, Mexico and Italy shapes my view of people and local cultures.
